

Cuvée Touche pas au Gibi - Domaine des Païssels

The Estate

Created in 2011. We started with 1 hectare of familial vineyard at the beginning, we grow 12 hectares today.

Terroir

Vineyard on schist soils between 150 et 250 m of altitude.

Varieties

Grenache Gris et Gibi

Vineyard

Gibi is a very ancient variety that we found in the hundred years old parcel of les Jalouses.

It is a female variety that cannot self pollinise.

Therefore we planted new Gibi vine in young parcel of Grenache Gris

The two varieties are vinified together

Yield : 35hl/ha

Vinification

Direct pressing of whole bunches.

Production

1500 bottles

Tasting advices

Tasting ideal temperature: 12°C Fresh and round wine that can be appreciated for apéritif but which can also pair with grilled fish, fresh cheese...

Ageing potential

Wine that can be appreciated young or can be kept from 3 to 5 years.
